

## Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of staff enjoys new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs along with their understanding of cleaning applications, together with owners' strong desire to dramatically lessen cost through productivity gains.

When needed, the employees within TREK and its various dealer members in both technical support and parts would be obtainable. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines ready and running day after day is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cleaning cost. The price, the service and the product all work together in order to make them an industry leader.
